FRONTEND DEVLOPER

tejas.jay07@gmail.com | +91 8237875792 | Pune, MH   in www.linkedin.com/in/tejasjaybhaye/

EDUCATION

Bachelor of Science in Computer Science   **Sep 2019 - July 2023**
Babasaheb Ambedkar Marathwada University   *Aurangabad, MH*

SKILLS

JavaScript (ES6+)	TypeScript	REST APIs and JSON
React.js	Redux / Context API	Material-UI, Tailwind CSS
Next.js	CSS3	jQuery
React Native	HTML	Bootstrap

PROFESSIONAL EXPERIENCE

Copods   **March 2024 - Sep 2024**
FullStack Developer Intern   *Pune, MH*

- Developed and optimized an advanced admin portal using React.js and React Native, incorporating Material-UI for a modern, consistent, and responsive design. Collaborated with the team to deliver production-ready builds, ensuring seamless deployment.
- Integrated backend APIs into the frontend, working closely with Python-based services to implement RESTful endpoints for managing data operations, authentication workflows, and business logic. Played a key role in developing the Leave Tracking System, ensuring robust and scalable functionality.
- Implemented and maintained state management using Redux Toolkit, improving application reliability and making the state architecture predictable, modular, and easy to debug across complex components.

Acviss Technologies   **June 2023 - Sep 2024**
Frontend Developer   *Bangalore, Kr*

- Managed code versions and streamlined frontend workflows, ensuring consistency and smooth deployment of UI updates.
- Integrated WhatsApp messaging services directly into the frontend, creating seamless communication channels that improved user interaction and engagement.
- Collaborated closely with the backend team to integrate React components for a cohesive and responsive user experience across the application.

ACHIEVEMENTS

YouTube Gaming Channel: **Sep 2019 - Jun 2021**

- Established and grew a YouTube channel to 75,000 subscribers within one year by consistently producing engaging, high-quality content. Collaborated with top creators, showcasing strong content creation, audience engagement, and networking skills.

ADDITIONAL INFORMATION
